## Santa Rosa United Referee Scheduling Policy

**Any changes made to games listed on the official website schedule for any reason, except rainouts, the home team is responsible for canceling the refs by sending an email to the SRU office at [administrator@srunited.com](mailto:administrator@srunited.com).** Phone messages will not be acceptable for canceling Referees. Managers are also responsible to check the Website and make sure the game is listed as canceled. If the game is not listed as canceled by Tuesday evening the team will be responsible for referee payment as listed below. **All Changes must be done by email.**

Tuesday 4:00pm is the cut off for game cancellations without incurring referee payment. Any cancellations of games after Tuesday 4:00pm will trigger the payment for the ref team for that canceled game.

The Manager, Coach or Team Referee Coordinator will be responsible to send payments to the ref team within 5 days of the scheduled game. Payments made after 5 days will double with the second half going to the Referee Program.

The reason for giving this assurance to the refs is that the refs have made a commitment to ref our games many times foregoing the opportunity to ref another game. When games get canceled it causes bad feelings for the referees and they stop refing our games. When the refs know that we have this policy in place they feel good about scheduling our games.
